## Week 1. Alert & Sober

### ? 's for Discussion

How have you made sense of Evil in the world? Like how do you explain where it comes from?

Are you more likely to think Satan is around every corner or doubt the existence of him altogether?

When you think of spiritual warfare, what kinds of “combat” come to mind?

We suggested that the powers of darkness have made this personal. They want YOU to fail. Does this change your views on any of this?

Someone once said, "...the devil's greatest trick is convincing the world that he doesn't exist." What makes sense about this?

We have a job to guard our MINDS, HEARTS and SOULS. Which of these is most protected in your life? Which one is most endangered?

What are any questions you have about Satan, Angels & Demons or Spiritual Warfare? Share with your leader so they can write down and we can collect them.

10 Finally, be strong in the Lord and in his mighty power. 11 Put on the full armor of God, so that you can take your stand against the devil's schemes. 12 For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. (Ephesians 6)
