WINTER/SPRING 22 - CHECK IN

WAY TO GO YA'LL...

A consistent group of students across the semester.

We set a goal and knocked plenty of it out!

"Lets challenge them to do some hard things."

- ✓ • Initially some students memorizing scripture
- ✓ • A great Spring Break trip. (Spring Break Sacrifice)
- ✓ • An expository series that stretched everyone. (Study the Book of James)
- ✓ • 6+ Students helping with Camp (Commit to serving at camp)

Closer to Text Update system than ever before.

What were some things you saw?

SOME ?'S TO ASK OURSELVES...

- Why didn't scripture memory take off?
- What are we shooting for on Wednesday nights (Outreach, Evangelism/Discipleship)?
- How do we help students transition in and out (6th and 12th grades)
- How can we add to the Worship time? (Scripture, Reading/Response, etc)
- What's working? What isn't working?
- What needs fixed? dropped? added?
- What does Fall 22 look like?
 - Focus on Small Groups (Events/Outside MW)
 - Focus on Parents (Workshop/Labs/Resources)

- Continue communicating clearly and quickly when tough things happen.
- What else?

A new generation is emerging. Gen-Alpha if the name sticks. What will this mean? We'll see as our new 6th graders grow with us.
